Donation from Shell Canada

Calgary, Alberta – Calgary United Sports Table Tennis Association (CUSTTA) is pleased to announce it has recently received \$500 from the Shell Community Service Fund.

“The funds have been awarded to recognize and support Carton Lao, a Shell Canada retiree. Carton Lao regularly volunteers with CUSTTA in the tournament committee. The funds will be used to purchase a large LED Display Digital Timer Model CK-3000 for time keeping. The CK-3000 can be used as a countdown clock to display time remaining for each 20 minute interval rotation per play. This equipment is definitely an added value to the club as members know exactly the time remaining for their turn to play to avoid any conflict in time keeping,” says Kim Law.

“Shell believes that contributions of time, effort and caring to not-for-profit organizations benefit the entire community. Through the Community Service Fund, we recognize and support Shell people who give personal time to not-for-profit organizations on a regular, volunteer basis,” says Gina Ockey, Shell Canada.

“We have supported Shell volunteers through the Community Service Fund for more than 30 years. In 2008, Shell Canada granted \$491,000 to more than 350 not-for-profit organizations across Canada.”
