Please contact the **Reservation Administrator** in advance. Reservation will be on first come first serve basis.

If each coach and his students just come for coaching session, then they will not have to pay the admission fee. However, the coach needs to sign in with “coaching” and his students are required to sign in with “take lesson” on the dollar amount column. If the coach and/or students practise before/after the coaching session, then the normal admission fee policy will apply.

**Please remind every student about this policy.**
